**THE SYMBOL**

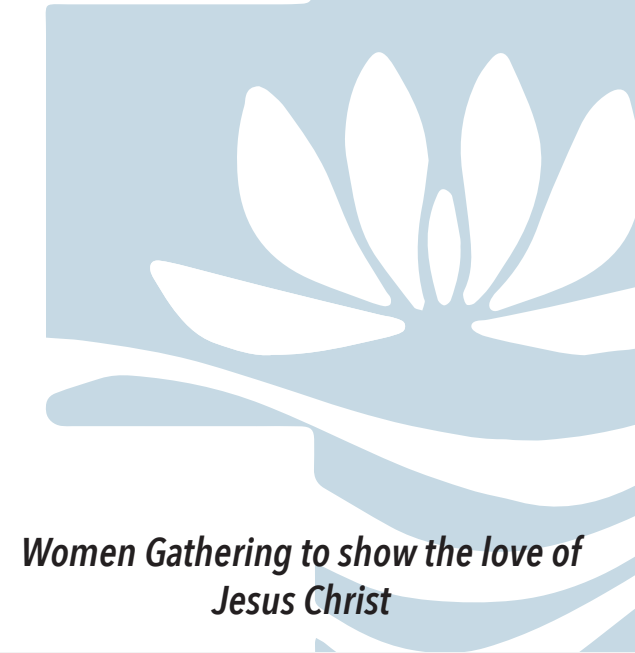

The cross, water, and white lily symbol identifies the women of the Evangelical Lutheran Church in America as children of God: baptized, forgiven, adopted into God's family, full of grace and hope in eternal life. It is a reminder of growth, beauty, and vitality that arises out of that life-giving baptismal water. It is also a reminder of the mission of the church to "Go, therefore, make disciples of all nations; baptize them in the name of the Father and of the Son and of the Holy Spirit."

Trinity women's Circles meet at various times and on various days throughout the year. Most meet in the months of September through May. The Circles provide an opportunity for ministry and fellowship. Interesting speakers and programs are planned for each meeting. The Circles support various local, national, and international charities in the form of goods, services, and monetary gifts. Trinity Circles are a blessing to many individuals and groups. By offering their time and talents, Trinity women truly demonstrate their servant heart and commitment to helping those in need.
