Photos from the Chalking the Door: An Epiphany Family Activity

It was wonderful to receive photos of homes and offices being chalked to bless your spaces and those who enter them! May you and all who enter find peace in your spaces this year.

"Chalking the door" is a centuries-old way to celebrate and to (literally) mark the occasion of the Epiphany with God's blessing of our lives and homes with sacred signs and symbols to set our homes apart as places of Christian hospitality, as safe and peaceful outposts of the Kingdom of God in the world, as habitations of healing and rest. We again invite God's presence into our homes and ask God's blessing upon all those who live, work, or visit throughout the coming year.

Each year, using blessed chalk, people mark the doorpost of their home with an inscription of the new year separated by C+M+B. For instance, in 2022, the inscription is 20+C+M+B+22.

Why C+M+B? It stands for the Latin words *Christus Mansionem Benedicat*, which means "May Christ bless this house." The letters can also stand for the traditional names of the Magi who visited Christ: Caspar, Melchior, and Balthazar.

Sharing Care In-Kindness

Trinity English's City Ministry invites you to contribute items to support our community neighbors. You may drop off donations at Trinity between 9 AM and Noon, Monday-Friday. Please donate only requested items. Random items are especially challenging to place with agencies, especially during Covid-19 protocols. Kindly label ALL donations. Thank you.
